Discussion on plowing the Cemeteries for the winter. Superintendent feels some roads or sections of roads should be closed for the winter, unless they are needed for burial. The hills on first and second st. going down to Knowerd Rd. Mt Pleasant due to icing. The Hill from upper level to lower level at Woodside due to icing. After Discussion with the DPW Director on salt treating. It is determined the roads in question are at risk as the DPW is not always available to salt. Town Roads are first priority. Cemetery lots do have access but are required to back up and go out the same way they come in. It is an inconvenience, but safety is a priority.

Motion not to plow first and second st
